ABOUT COMPANY

Rich Crop Protection Pvt. Ltd. was launched by **Mr. Rakesh Bansal**, Managing Director. He provide the agro-solution to Indian farming community. We are committed to educate the farmer to use crop and pest specific crop protection products judiciously. We are working towards adding new chemistry in the product basket to ensure safer products for users. Our sales and marketing team strategically guides the farmers with the adequate and newly adopted techniques which range from teaching sowing pattern, harvesting pattern and shifting from one crop to another in reference to ongoing weather shifts.

In our operational states such as , U.P., U.K., Haryana & Rajasthan. Our brand is sharing shelves with top leading brands among their categories. Our quality products and their attractive packaging is generating repeated purchase from the farmers which is further building their trust on our company.

Mission :

Educate, Evolve and Enhance - Strategy of **Rich Crop Protection Pvt. Ltd.**

Vision :

To emerge as a leading corporate in delivering agro-solutions and imparting knowledge to end user alongside strengthening manufacturing capabilities, strategic partnerships to superior technology and nurturing innovation across the value chain.

Values :

Trust / Equality / Partnering / Safety / Care
